## Mini installation beacon / Permanent Light 815 Permanent Beacon EM 12-230VAC/DC GN

ļ

| Part No.: 815.200.00         |                                |
|------------------------------|--------------------------------|
| MECHANICAL DATA              |                                |
| Height                       | 97 mm                          |
| Diameter                     | 75 mm                          |
| Materials                    | PA-GF<br>PC<br>PC/ABS          |
| Dome colour                  | Green                          |
| Protection category          | IP65                           |
| Connection                   | Screw terminals                |
| cross-sectional area maximum | 1,50mm² / 16AWG                |
| Cable entry                  | Through hole                   |
| Cable entry maximum          | d = 9  mm                      |
| Tension relief               | Present (conforms to VDE)      |
| Type of fixing               | Built-in mounting              |
| Working temperature minimum  | -20°C                          |
| Working temperature maximum  | +60°C                          |
| Weight with packaging        | 123 g                          |
| Product weight               | 96 g                           |
| ELECTRICAL DATA              | *                              |
| Operating voltage            | 12-230V                        |
| Operating voltage type       | AC/DC                          |
| Protection class             | Protection class 2             |
| Pollution degree             | 3<br>In the connection area: 2 |
| Overvoltage category         | II                             |
| Isolation voltage            | Ui = 250V; Uimp = 2.500V       |
| OPTICAL DATA                 |                                |
| Light colour                 | Green                          |
| Service life optical         | depends on bulb                |
| APPROVAL DATA                |                                |
| Conforms with CE             | Yes                            |
| Conforms with RoHS directive | Yes                            |
| WEEE                         | Yes                            |
| Conforms with ATEX-directive | No                             |
| Conforms with CCC            | Yes                            |
| Conforms with UL             | cULus                          |
| UL Type Rating               | Туре 12                        |
| Conforms with FCC            | No                             |

## Mini installation beacon / Permanent Light 815 Permanent Beacon EM 12-230VAC/DC GN

| Conforms with IC              | No                    |
|-------------------------------|-----------------------|
| EAC certificate available     | Yes                   |
| Conforms with UKCA (Importer) | Yes (WERMA (UK) Ltd.) |
| Conforms with AS-I            | No                    |
| ICAO Certification            | No                    |
| Conforms with DNV             | No                    |
| Conforms with RoHS CN         | No                    |
| Conforms with VdS             | No                    |
